INTRODUCTION AND OVERVIEW SECTION 1

Lake St. Charles Community Development District (LSC CDD) Board of Supervisors, acting as Owner for the Lake St. Charles CDD, is requesting a proposal from your firm for asphalt resurfacing, color coating and marking of 1 existing asphalt basketball court and the removal of 1 existing asphalt court and goals.

The work for which proposals are to be submitted consists of providing labor, materials and equipment for 1" asphalt overlay resurfacing and leveling course with Type III S virgin asphalt, color coating and court markings and the removal of 1 existing asphalt basketball court and goals.

All aspects of the job must be coordinated with the Property Manager, acting on behalf of the LSC CDD Board of Supervisors. This includes you as the primary contractor and any subcontractors that may be used.

The Property Manager, or designee, will conduct a walk-through if requested giving each prospective contractor the opportunity to visit the site of the proposed work in order to fully acquaint themselves with existing conditions so that they may fully understand any difficulties and constraints attending the execution of the work under the proposed contract. The failure or omission to receive and examine any documents, forms, instruments, addendum, other information, or to visit the site and acquaint oneself with conditions existing there shall in no way relieve any individual or organization from any obligation with respect to the proposal or to the contract. The submission of a proposal shall be taken as prima facie evidence of compliance with this section. The purpose of the walk through is to provide prospective contractors with an opportunity to visit and inspect the property that relates to the scope of work and ask questions of the Property Manager regarding the project.

Any prospective contractor may make an appointment with the Property Manager, Mark Cooper to review the existing courts and conditions by contacting him directly at 813-990-7555.

Proposals

Proposals shall be prepared, addressed and submitted in compliance with detailed instructions as set forth in Section 2.

Reservation of Rights.

LSC CDD reserves the right to accept or reject all bids, waive irregularities, technical errors and formalities and to award the contract as it deems will best serve the interest of the district.

**SCOPE OF PROJECT
SECTION 2**

PURPOSE AND BACKGROUND INFORMATION

Lake St. Charles Community Development District (“LSC CDD”) formally invites qualified and experienced applicants to submit proposals for the asphalt resurfacing, acrylic resurface, color coating, court marking and 2 new goals of 1 – 50’ x 100’ basketball court and the removal of 1 – 50’ x 100’ existing asphalt basketball court and goals. As part of this Request for Proposals (“RFP”), the Lake St. Charles Community Development District seeks to improve and enhance aging amenities which should increase usage by the District’s residents.

SCOPE OF PROJECT

In order to accomplish these goals, the LSC CDD would like to install a new 1” virgin asphalt overlay to 1 existing basketball court that will provide for proper drainage and create a smooth level playing surface with no puddling that will be sealed with appropriate resurfacer, color coatings and striped and marked to NCAA standards.

All equipment that is required for the complete and full operation and functioning of the system must be clearly stated in the proposal. The cost of each component of the system needs to be stated. Bundled packages will have to be broken out into costs of each individual component to provide across the board comparisons between vendors. If other equipment or products are needed, but not specified please specify this in your proposal. See the Bid Form sheet (Section 7) for required specific costs.

SECTION 3
SPECIFICATIONS OF WORK REQUESTED

1- 50' x 100' Existing Asphalt Basketball Courts

- Provide 1" of Type III S virgin asphalt overlay on 1 existing basketball court.
- Provide 2 new Hercules – Platinum acrylic backboard goals on the refurbished court.
- Remove 1 existing 50' x 100' asphalt basketball court and goals.
- Finished grade shall not exceed 1% slope or 12 vertical inches in 100 horizontal feet to guarantee removal of surface water. The slope of the courts shall be in one plain.
- Finished surface shall be flooded with water to detect low and high spots in the surface. There shall not be any finished surface deviations greater than 1/8".
- Note: Asphalt must cure for a minimum of 15 days before color coatings process begins.
- The courts are to be flooded to reveal any low areas in the asphalt surface.
- A patch binder mix is to be applied to fill and level low areas.
- Apply 2 coats of acrylic resurfacing product on each court to repair any minor imperfections and seal the asphalt surface.
- Apply 2 coats of acrylic court paint to each court. See the attached court color scheme.
- Apply white playing lines per NCAA marking standards. See attached court markings.
- Any scope of work that is not identified with this RFP or noted on the plans or bid form will be a change of scope and should be noted as an Addition to the original proposal. Election of additional work and or equipment and their associated costs will be at the sole discretion of the LSC CDD Board of Supervisors. No one may make changes to the plans other than the LSC CDD Board of Supervisors or Property Manager.

PROPOSAL COVER SHEET - Continued

The above named entity submits its proposal to furnish all materials, equipment and labor and to perform all work in accordance with the bid specification and contract documents for the Lake St. Charles CDD basketball courts (2).

A detailed bid form is attached hereto. *Note: The attached bid form is illustrative of the minimum amount/quantity of work to be performed under the contract. In the case of any conflict between this schedule and the detailed bid specifications, the detailed district bid specification will prevail.*

Board of Supervisors,

The undersigned, as bidder, hereby declares that the only person or persons interested in the proposal, as principal or principals, is or are named herein and that no other person other than herein mentioned has any interests in the proposal of the contract to which the work pertains; that this proposal is made without connection or arrangement with any other person, company, or parties making bid or proposal and that the proposal is in all respects fair and made in good faith without collusion or fraud.

The bidder further declares that he has examined the site of the work; that he has made sufficient investigations to fully satisfy himself that such site is a correct and suitable one of this work; and he assumes full responsibility therefore; that he has examined the specifications for the work and from his own experience or from professional advice that the specifications are sufficient for the work to be done and he has examined the other bid and contract documents relating thereto, including the Notice to Contractors and general notices and conditions thereto, and he has read all addenda prior to the opening of bids, and that he has satisfied himself fully, relative to all matters and conditions with respect to the work to which this proposal pertains.

The bidder proposes and agrees, if this proposal is accepted, to timely contract with the District for the resurfacing of 1- existing Basketball court and the removal of 1existing Basketball court part of the bid package and to furnish all services, materials, equipment and labor as required therein and to timely submit all required bonds, permits, notices, licenses and insurance certificates.

The bidder further proposes and agrees to comply in all respects with the time limits for commencement and completion of the work as stated in the contract form. The bidder agrees to accept full compensation therefore the total of the lump sum prices and extended unit price items named in the attached schedule. It is understood that the unit prices quoted or established for a particular item are to be used for computing the amount to be paid to the contractor, based on the work actually performed as determined by the contract and the district. However, in utilizing the schedule, the bidder agrees that in no

event shall compensation paid to the bidder for services performed under the contract exceed the dollar amount of the bidders' proposal amount, excluding mutually agreed upon additional work approved in accordance with the contract.
