LSC CDD Resolution 2021-04

[Lake St. Charles District Budget and Assessment Roll Adoption]

Approved by the Lake St. Charles BOS of Supervisors per M09-14-2021-0x 9/14/2021

RESOLUTION No. 2021-04 OF THE LAKE ST. CHARLES COMMUNITY DEVELOPMENT DISTRICT

WHEREAS, the Lake St. Charles Community Development District (the "District") is a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, the District is located in Hillsborough County, Florida (the "County"); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, Florida Statutes; and

WHEREAS, the Board of Supervisors (the "Board") of the District hereby determines to undertake various operations and maintenance activities described in the District's budget(s) for Fiscal Year 2021-2022 ("Budget"), attached hereto as **Exhibit "A"** and incorporated by reference herein; and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance of the services and facilities provided by the District as described in the District's Budget; and

WHEREAS, the provision of such services, facilities, and operations is a benefit to lands within the District; and

WHEREAS, Chapter 190, Florida Statutes, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, Chapter 197, Florida Statutes, provides a mechanism pursuant to which such special assessments may be placed on the tax roll and collected by the local tax collector ("Uniform Method"); and

WHEREAS, the District has previously evidenced its intention to utilize this Uniform Method; and

WHEREAS, the District has approved an Agreement with the Property Appraiser and Tax Collector of the County to provide for the collection of the special assessments under the Uniform Method; and

WHEREAS, it is in the best interests of the District to proceed with the imposition of the special assessments for operations and maintenance in the amount set forth in the Budget; and

WHEREAS, it is in the best interests of the District to adopt the assessment roll of the Lake St. Charles Community Development District (the "Assessment Roll") attached to this Resolution as Exhibit "B" and incorporated as a material part of this Resolution by this reference, and to certify the portion of the Assessment Roll on platted property to the County Tax Collector pursuant to the Uniform Method and to directly collect the portion of the Assessment Roll relating to unplatted property; and

WHEREAS, it is in the best interests of the District to permit the District Manager to amend the Assessment Roll adopted herein, including that portion certified to the County Tax Collector by this Resolution, as the Property Appraiser updates the property roll for the County, for such time as authorized by Florida law.

WHEREAS, prior to the adoption of the proposed annual budget of the District (the "Proposed Budget"), the District filed a copy of the Proposed budget with Hillsborough County Clerk of the Circuit Court as Clerk to Hillsborough on June 9, 2021; and

WHEREAS, the District ratified Resolution 2021-02 approving the Proposed Budget for FY 21-22 and set September 14, 2021 as the date for a public hearing thereon and caused notice of such public hearing to be published pursuant to section 190.008(2)(b), Florida Statutes; and

NOW, THEREFORE, BE IT RESOLVED BY THE LAKE ST. CHARLES COMMUNITY DEVELOPMENT DISTRICT IN A SPECIAL BUDGET HEARING MEETING ASSEMBLED THIS FOURTEENTH DAY OF SEPTEMBER, 2021 THAT:

- **1. Budget:** The District Manager's Proposed FY21-22 Budget with revisions and recommended by the Treasurer's Review Committee, which is Attachment A hereto, is hereby adopted in accordance with the provision of section 190.008(2)(a), Florida Statutes and incorporated herein by reference.
- **2. Appropriations:** There is hereby appropriated out of the revenues of the District for the fiscal year beginning October 1, 2021 and ending September 30, 2022 (the "Fiscal Year"), the sum of Nine Hundred Fifty-Eight Thousand One Hundred Forty-Six Dollars to be raised by the levy of assessments and otherwise, which sum is deemed by the Board of Supervisors to be necessary to defray all expenditures of the District during said budget year, appropriated in the following fashion:

OPERATION & MAINTANANCE \$ 642,286 CAPITAL IMPROVEMENT \$ 258,371

TOTAL \$ 900,657

- **3. Supplemental Appropriations:** The Board may authorize by resolution supplemental appropriations or revenue changes for any lawful purpose from funds on hand or estimated to be received within the fiscal year as follows:
- a. The Board may authorize a transfer of the unexpended balance or portion thereof any appropriation item.
- b. The Board may authorize an appropriation from the non-appropriated balance of any fund.
- c. The Board may increase any revenue or income budget account to reflect receipt of any additional unbudgeted monies and make the corresponding change to appropriations or non-appropriated balance.
- **4. BENEFIT.** The provision of the services, facilities, and operations as described in **Exhibit** "A" confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the costs of the assessments. The allocation of the costs to the specially benefitted lands is shown in **Exhibits "A" and "B,"** and is hereby found to be fair and reasonable.
- **5. ASSESSMENT IMPOSITION.** Pursuant to Chapter 190 of the Florida Statutes, and using the procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operation and maintenance is hereby imposed and levied on benefitted lands within the District and in accordance with **Exhibits "A" and "B."** The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution.

6. COLLECTION AND ENFORCEMENT; PENALTIES; INTEREST.

- A. Uniform Method Assessments. The collection of the operation and maintenance special assessments on platted lots and developed lands shall be at the same time and in the same manner as County taxes in accordance with the Uniform Method, as set forth in Exhibits "A" and "B."
- B. Future Collection Methods. The decision to collect special assessments by any particular method e.g., on the tax roll or by direct bill does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.
- **7. ASSESSMENT ROLL.** The District's Assessment Roll, attached to this Resolution as **Exhibit** "**B**," is hereby certified. That portion of the District's Assessment Roll which includes developed lands and platted lots is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes. The proceeds there from shall be paid to the Lake St. Charles Community Development District.

8. ASSESSMENT ROLL AMENDMENT.

- A. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution, and shall amend the District's Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll. After any amendment of the Assessment Roll, the District Manager shall file the updates in the District records.
- B. The District adopts its assessment roll for the assessment levy as prepared by the District Manager and submitted electronically to the Hillsborough County Property Appraiser and Tax Collector on August 17, 2021 File SD051.xls. The District Manager has received certification for receipt of this levy and said assessment roll by the Hillsborough County Property Appraiser and Tax Collector, in accordance with the applicable provisions of law, as required by Chapters 170, 190, and 197, Florida Statutes, **Exhibit C**.
- **9. SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.
- **10. EFFECTIVE DATE.** This Resolution shall take effect upon the passage and adoption of this Resolution by the Board of Supervisors of the Lake St. Charles Community Development District

Security - Grounds Committee Meeting Minutes

Date: Wednesday, August 18, 2021 at 12:30 PM.
Committee Chairperson: Supervisor, Rob Fannin
Operations Manager: Property Manager, Mark Cooper

The Grounds and Security Committee meeting was continued until an onsite meeting could be arranged with ASI's key management personnel to discuss the recent unacceptable condition of the property. The meeting occurred on September 8, 2021 at the clubhouse.

ASI was informed of specific deficiencies and the Board's dissatisfaction in their performance. They expressed an understanding and sited the recent prolonged rain event, staffing shortages due to Covid and the current shortage of willing laborers as reasons for the property's condition. They informed Supervisor Fannin and I that they were working to rectify the deficiencies and were analyzing several alternate operational scenarios, products, and technologies to provide greater efficiencies and reduce labor.

We suggested and discussed very specific measures they should implement to reduce their labor efforts without sacrificing the property's appearance.

We also ask them to forecast future costs of the property maintenance costs for strategic and assessment planning.

An alternate proposal was obtained from Mainscapes whom we considered and negotiated with when the last RFP was issued in 2019. A summary of their proposal to assume property maintenance is below.

Mark.

Attached are our 2019 Original Price (\$99,162.30), 2019 Adjusted Scope and Price (\$85,846.74) and our 2021 Pricing for \$93,297.02 which includes irrigation.

Changes to note about our 2021 Price:

- 1. When we negotiated in 2019, we reduced our scope to try to meet your budget. ASI was selected because our pricing came out the same but they maintained the original scope. Our 2021 price returns to the original scope with the exception of monthly irrigation inspections and adds 2 ornamental fertilizations. We did make an adjustment to our Pest Control number because of operational improvements on our part, but meeting your scope is covered.
- 2. Had we put in a 2% and 3% increase on our 2019 Price of \$85846.74 plus irrigation, the price would be \$95,710.14 in 2021 with a reduced scope.
- 3. Our price reflects a 2.3% increase over 2019 pricing, mainly due to structural adjustments to overhead costs, labor rates have held steady for us, and managed growth. These factors allowed us to add back removed services but stay close to your current expected expenses.
- 4. Our expected net income is \$.025-\$.05 per dollar.

Ouestions:

- 1. Will this be a new three-year agreement with Lake St. Charles?
- 2. If ASI fails to return the property to standard before exiting, would Lake St. Charles be open to a clean up proposal if needed? (Mainscape is prepared to meet immediately to identify areas that require additional work by either ASI or MS so the CDD can understand what the cost might be. This can then be subtracted from ASI final billing if needed.)
- 3. Due to current inflationary pressures and minimal wage increases expected in the next few years, Mainscape would ask that the CDD be willing to allow for an increase up to 5% per year.

Per Our Conversation:

- 1. Should ASI breach their contract and leave immediately, Mainscape is able to perform services immediately. However, due to current site conditions not being within the scope standard, some services may not be able to be performed timely until the areas are returned to scope standards.
- 2. With this very short notice, our operations team cannot commit to a specific operational plan at this time. However, should ASI serve out a 30 day notice, Mainscape would begin our "Start It Right Plan":
 - a. Weekly virtual or in person meetings to share operational planning and work through issues and questions. Attendance by MS Account Executive, department heads and any CDD representative that wishes to take part.
 - b. Establish and share all operational plans, rotational maps and annual service calendars before service commences.
 - c. Schedule after the start date a 30, 60 and 90 day operational review with CDD representatives and MS operational team and Account executive
 - d. Establish communication chart for weekly and monthly reports, CSR reports and Quality Assurance Assessments (performed Quarterly)
- 3. Before we commit to using the Ventrac mower, we would do a site safety inspection in the 30 days prior to commencement as part of our Start It Right Plan. Should the safety manager deem it necessary, the Ventrac would be assigned to the property. However, even if not required for safety reasons, the regional and branch manager may assign the Ventrac to the property due to the number of ponds. This will be evaluated as part of our operational planning.

Please feel free to reach out to me at any time tonight or tomorrow with questions. I do have several meetings in the morning starting at 8am but will return your call as soon as possible. I hope everything is clear and we look forward to serving Lake Saint Charles.

All my best,

Brandon Whaley

Strategic Planning Committee Meeting Minutes

Date: Tuesday, September 14, 2021 @ 10:00 am.

Committee Chairperson: Supervisor, Marlon K Brownlee Operations Manager: Property Manager, Mark Cooper

The Strategic Planning Committee met with the purpose of determining Board interest in the exploration of an assessment increase. Supervisor Brownlee was informed of the background and given the results of the recent Assessment Methodology and Sustainability Report as prepared by Burton and Associates in 2016. Additionally the most recent CIP Planning spreadsheet that tracked actual and projected CIP projects, costs, and year of need from 2020 to 2030 was given to Supervisor Brownlee.

The first identified task was to assess the District's actual operational costs and CIP expenditures against the study's projections from 2017 to the current year. The results of the actual cost trends through this year were then projected to near term future years to gain a general sense of revenue needs into the short-term future. The following report is a broad summary of that effort.

On September 30, 2106, Burton & Associates delivered a FY 2016 Financial Sustainability & Methodology Report", which included a section titled "Revenue Sufficiency Analysis", which presented a 10 year projection (thru fiscal year 2027) of the ability of our General Fund's assessment revenues to cover our expected operating expenses and capital improvement projects. In addition, District Resolution 2016-01, Section 3200.4 adopted shortly before the report indicated that we would be required to maintain a minimum of \$200,000 in a Reserve Fund. Given projected inflationary increases in operating costs, they recommended that we include an inflationary annual adjustment to the targeted minimum reserve amount.

Burton & Associates also recommended that we "..... (p)erform....an annual or semi-annual review/update of the revenue sufficiency analysis to ensure that as events actually occur, the plan can be adjusted as necessary to continue to provide sufficient revenues to meet the District's needs."

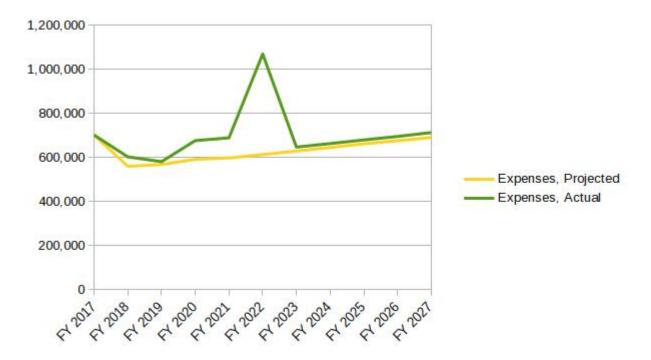

The analysis contained a number of assumptions regarding the anticipated rate of increase in the various types of expenses that we incur, along with a recommended 2% annual increase in the \$200,000 minimum reserve fund balance amount beginning in FY 2018. Since the report was done, various expenses have exceeded or been less than originally projected, but have increased overall, as expected. Further, as we have added new assets, the costs of insuring our assets has increased as well.

As these costs rise, the amount of revenue available for CIP projects is also reduced accordingly.

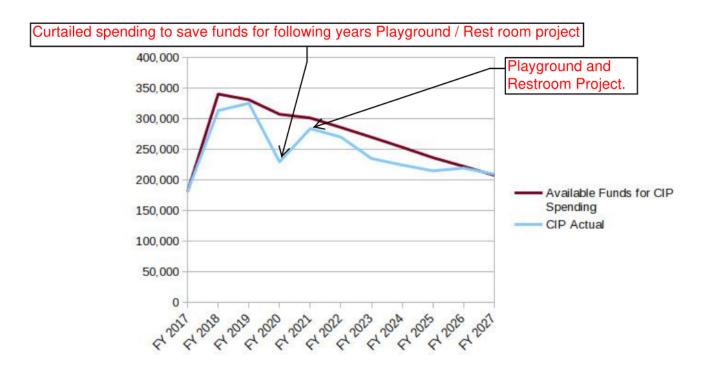

Since the report, no review has been done, and so we reviewed our actual revenues and expeditures to see where we stand at this point vs. the original projections.

Overall, this review showed the following:

- Projected revenues have remained essentially flat, closely tracking the report's original projections.
- Overall expenses were expected to rise and have done so, although at a rate somewhat greater than anticipated.

 Available funds for CIP spending were anticipated to decline over time, as our revenues were projected to remain flat while expenses continued to rise. Our actual CIP spending has actually been somewhat less than originally projected in each year since FY 2018. As per our current 10-year CIP plan, our projected CIP spending closely tracks the original projections, but is still less than originally projected.

• Since our CIP spending has been less each year than the report's original projections, our cumulative CIP expenditure deficit is increasing over time. Given our total expenditures to date and our current plans, the total difference between our originally projected total CIP expenditures vs what we will actually spend will be approximately \$230K; this amount is approximately the same as our total expenditures for FY 2020. I.e., barring any changes, our total CIP expenditures will reflect a cumulative deficit of essentially a full fiscal year. Note that these figures are indicative of the total dollar expenditures; over time, as prices continue to rise, the amount of work that can be done for a given dollar amount will decline as well.

Cumulative CIP Expenditure Shortfall

Given these facts, the strategic planning committee would like to get a sense from the Board regarding whether it would be willing to consider any increase at all in our annual assessment. If so, is there a maximum amount that it would be willing to consider? Note also that an increase could be recommended as a one-time occurrence or broken into smaller increments over time as well.

September 14, 2021 Property Manager's Report

The required major components of the FDEP grant are nearing completion and being submitted for DEP approval. Pending the approval of the QAPP (Quality Assurance Project Plan) being submitted September 24, the study can officially begin and the ultrasound devices on the buoys can be turned on. It is anticipated that this will occur sometime in October.
